“... and they examined the scriptures everyday...” Acts 17:11

Imagine walking into a home and seeing the dining table laden with all the best food: appetizers, drinks, main courses, desserts, coffee, tea, and all of it waiting and ready for the guests. God has laid this table for us with his word. We are welcomed as Christians to find our seats and to begin eating! This reading plan is the menu for our feast over the next 3 months.

Despite the overabundance of food many Christians struggle with developing a habit of sitting down regularly and eating. We have overcomplicated the practice by telling ourselves we must understand all the nuances and intricacies of the text on a first read. We have forgotten the communal pleasures of eating and reading together.

This summer, let us feast **together**, on the wonderful meal that God has prepared for us.

Developing the Habit

- If you get behind, jump back in!
- Don't let the perfect be an enemy of the good
- Focus on the habit, not the accomplishment
- Find at least one other person to talk to about the readings for the week

Questions to Ask

- What can I thank God for in this passage?
- What have I learned about (God, Jesus, myself, humanity) from this passage?
- What changes need to be made in my life?
- How can I worship God more fully through this reading?

End of Summer

- Write down when God “turns up the volume”
- What were you convicted to pray about/for?
- What are you grateful for?
- Was there a special moment with family?
- How has God changed you?
